

Village of Hope

We promote self worth and independent through the provision of temporary shelter and supportive services for families experiencing homelessness.

A Note from the Director

The Holiday season is the perfect time to thank our sponsors, volunteers and donors for your generous contribution of time, money and talent to our mission of helping children and their family's escape homelessness. We could not do what we do without you. Thank You!!

Since we opened in February of this year we have assisted 106 children and their families.

If you would like more information regarding the work we do at Village of Hope please call me at 751-0722 Ext. 2 or email me at

hennum@villageofhopebemidji.org
