Shop at Harmony Foods, Downtown Bemidji and take the opportunity to donate to Village of Hope

Village of Hope provides 3 meals and snacks each day for 28 people

What I've learned in 2012

Sandy Henum, Executive Director

1. It's all about the relationship!
2. As people we are more alike than different.
3. People have a tremendous capacity for providing hope and help.
4. Bemidji needs more affordable housing opportunities.
5. You never have to go it alone.

PEACH CLASS (PHYSICAL AND EMOTIONAL AWARENESS FOR CHILDREN WHO ARE HOMELESS)

On Tuesdays and Thursdays Miss Vicki and Miss Ashley brings hearty heart and his friends to the shelter for an afternoon of "class". The kids learn about issues that affect their physical and emotional health, sing songs, watch videos, color and learn coping strategies. After the class the parents join them for supper and a conversation about what the kids learned. Upon learning that her family had found housing one young participant cried because she was going to miss "class". Let me assure you, she got an invitation to join us as long as she wants to!
